of chiropractic"*

January 2019

Dear GCSS Membership,

Change is inevitable, Growth is optional. With every passing year, the GCSS strives to be at the forefront of change by supporting the growth of the Gonstead system. Membership is the key to that goal.

By becoming a member, or referring a colleague, we increase the growth potential exponentially. **EACH ONE, BRING ONE.** As a general member, we thank you for your dedication as a Gonstead practitioner and ask that you accept the challenge to increase our growth allowing us to set the standard of change.

Our current GCSS efforts include:

- **GCSS Research**— numerous current research projects both by our Research Department and our dedicated field doctors— **we are making history!**
- **GCSS Student Certification Program** - to further educate chiropractic students on the teachings and benefits of the Gonstead technique.
- **Gonstead Research Fund**—your donations are tax-deductible.
- **Amazon Smile**—Designating the GCSS as the Non-Profit on your Amazon account directly supports our research.
- **GCSS seminars**—Meeting of the Minds & Gonstead Extravaganza
- **Gonstead Study Clubs** at the various chiropractic colleges
- **Development and Support** of Gonstead Doctors into Gonstead Diplomates and Fellows- Refer someone you know is qualified!

Just like Dr. Gonstead did, we want to pass along this system. We want to offer our students, our families, and our patients access to a progressive group of doctors who practice focused, specific chiropractic care.

Every year by attending the "Gonstead Extravaganza" seminar in April at the Gonstead Clinic in Mt. Horeb, WI, we get the chance to pass along our system to the next generation. Everyone is invited to attend! Nothing rejuvenates the soul like the excitement that comes from sharing this work with our future doctors. The GCSS also hosts "Gonstead Meeting of the Minds" which takes place each October. If you have twenty years in practice, are a GCSS Diplomat, Fellow, or Diplomat candidate, you are cordially invited to attend our premiere event. See our website, www.gonstead.com, for details on both wonderful events!

Thank you for your continued support and dedication to the Gonstead System. John Maxwell was quoted as saying, "Growth is the great separator of those who succeed and those who do not." Have a great 2019!
